

Food Service Information – Covid Response

2020-21 School Year

Breakfast and Lunch meals will be available for purchase. Due to the current situation we are only selling complete meals. There will be no a la carte items available to purchase. All food/utensils will be individually wrapped and a Food Service employee will place all items in a to-go container.

Please make sure funds are available on your student's food service account. Parents are encouraged to deposit funds in their student's Food Service account using Skyward. All cash or check deposits need to be in an envelope labeled with your child's full name and teacher/grade. Your student can drop the envelope in the school office. All deposits will be available the same day. We will not accept cash or check deposits during any meal service.

Menus are available online. Complete meals include a main entrée, fruit and/or vegetable, and milk. All USDA guidelines will be followed.

If you are E-learning and would like to purchase meals we will have meal pickup available at The Black River Falls High school. The parent and/or student will stay in their car and drive to food service door. Meals may be picked up on Friday from 2:00-3:00pm. You must sign up 1 week in advance to have meal provided for you. The parent or student will need to provide the school they attend, name and student pin ID number.

Costs are as follows:
