Canvas Parent App

The Canvas Parent app lets you view a student's course events, upcoming assignments, and grades. You can also add and view multiple students in your account.

 Download the Parent App from the Google Play Store or iTunes. (Make sure this is the new <u>blue</u> parent app.)

2. Create your Account

If you already have a Canvas account, select **Log in with Canvas**. If you do not have a Canvas account, select **Create Account**.

4. Add a student

Add a student to your account. Enter the name of your student's institution (brf.instructure.com) [1]. Tap the Next button [2].

5. *Enter Student Login Information

Enter your student's username [1] and password [2]. Tap the **Log In** button [3]. (See Information Below)

To add additional students:

Click the settings cog (top right)

Click the Plus Sign Repeat the school search and student login.

*This step is required whether you are setting up a new Canvas account or logging in for the first time with an existing Canvas account.

6. View Dashboard

Your added student's name and profile picture display on the Dashboard. If you have multiple students associated with your account, you can view another student by tapping the student's picture or swiping the app.

From the Settings icon, you can view the students you are following, add alerts, add students, access help, and logout. Learn how to manage settings.

Child's Username and Password

Passwords were changed this year to align student passwords with software requirements. The middle and high school passwords now use the same convention for ease of access for students transitioning from the middle school to the high school.

Student's	First 5 letters of student's last name		
Username	Followed by first 3 letters of student's first name		
	Followed by student's 2-digit grad year		
	*Note: If student's last name is less than 5 characters, use the student's entire last name.		
Student's	First letter of student's first name (upper case)		
Password	Followed by first letter of student's last name (lower case)		
	Followed by 4-digit grad year		
	Followed by 4-digit lunch pin		
Example	John Smith	Username: smithjoh22	
	Graduates 2022	Password: Js20225465	
l	Lunch Pin 5465	(Note: the J is uppercase)
