Re: Fluoride mouth-rinsing program

The Black River Falls school district, in cooperation with the Jackson County Public Health Department, and with the approval of local dentists, is offering to all students a fluoride mouth-rinsing program to prevent dental decay.

This project is very important in the oral health of your child. Participation is voluntary and at no cost to you. We encourage you to allow your child to participate in this valuable health project.

If you have questions regarding this project, please call the Jackson County Public Health Department at 284-4301 ext. 374.

Please complete and return the form below.

- () I would like my child to participate in the fluoride mouth-rinsing program.
() I would not like my child to participate in the fluoride mouth rinse program.
