

TREATS IN THE CLASSROOM/BIRTHDAY CELEBRATIONS

August 21, 2020

Dear Parent or Guardian:

Due to Covid-19, we would like to increase our security and safety in the foods our students receive and request that you consider treats provided by our nutrition department.

Are you interested in purchasing a classroom treat for your child’s birthday or special occasion? The following items are currently available through the School Nutrition Department at your child’s school:

- 1. Fresh Baked cookies \$3.75/doz
2. Kellogg’s Marshmallow Rice Krispies Treat sheet \$25.00/2# serves 20
3. Ice Cream Treat \$0.50/each
4. 100% fruit Juice \$0.50/each

Please select the same item for all students in the classroom. School Nutrition Services reserves the right to make substitutions for students with known allergies. Orders must be submitted at least 1 week before the student’s birthday to ensure the treats are available. Payment can be made by cash or check at each of the buildings. Contact, Connie Seiber at 715-284-4357 ext 1209

Participation in the safe classroom celebration program will also provide student with their name on a special birthday poster and provide a CLEAN and SAFE Apron and special HAT to use for the day

Student’s Name: _____ Birthday Date: _____

Teacher’s Name: _____ Room Number: _____ # of Students in Classroom: _____
